

MAKING COMMUNITY DECISIONS TOGETHER

CARCROSS /
TAGISH FIRST NATION

CTFN Citizens live work, and play across Yukon and Outside. We are all connected to our people, our home, our land and our community.

HEALTH | HOMES | HERITAGE

- ✓ Food Sovereignty and Security for Traditional Harvesting and Agricultural Investment
- ✓ Housing construction and home-ownership Program, increasing access to land for citizens
- ✓ Connecting Tlingit and Tagish language, art and culture to our daily practices for our youth, elders, and projects

*Our Culture &
Our Heritage
Is Our Future*

ENVIRONMENT OF ENTREPRENEURSHIP & ECONOMIC DEVELOPMENT

Providing opportunities for sustainable growth through inspiration and innovation from our youth to our elders.

- ✓ **Investing in Opportunities:**
Working with our youth, and citizens to provide training and education for entrepreneurship and local business development.
- ✓ **Healing the Land**
Stewardship Reclamation Program: Cleaning contaminated sites & connecting youth and elders back to the land
- ✓ **Connecting the ART of Business to Customers**
Carving, crafting and culture based programs, products and services

For Our Families
For Our Dahk-Ka Nations
For Our Future*

MEET DANNY CRESSWELL

Ishkahittan Clan. Born and raised till 7 years old, and returning at 17, Danny has been a Carcross resident most of his life. In his early career he supported sustainable management of natural resources and land with Parks Canada and later provided technical support for the Southern Lakes Caribou Recovery Program for C/TFN.

As an experienced leader, Danny takes a common-sense approach – listen, share, listen again, and act for the benefit of people and community. Strong traditional values and an understanding of Tlingit and Tagish lifestyle, guide how he prioritizes projects and programs for our people, wherever they reside in Yukon or Outside.

For this election, Danny wants to hear from you on how he can enhance community unity and put people first from community driven housing and home-ownership, to food sovereignty and security, to connecting our Tlingit and Tagish language, art and culture to healing our land and inspiring the next generation. In this election, your voice determines how we will get things done and **Danny wants to get it done.**

CALL DANNY!

If there is something you want to talk about, give Danny a call or email.

Danny will get it DONE!

We need to work actively to support a vibrant, economically stable, safe and healthy community in Carcross, Tagish, Squanga, within our Traditional Territories and for all members worldwide.

Carcross / Tagish First Nation youth need our support and encouragement to take on leadership position in our government and in our community. Together we can invest in our future growth and the wellness of our Nation.
