

Who I Am

I am from the Kukhhittan Clan (Children of the Raven). I was given the name "Yeil Kutaxhanaxha", which means "Crow Star". My Mother is Anne Wally. My Grandmother is the Late Margaret Breton. I am a descendent of Taku Jim and Shayumdustee ~ Eva Johnston. I was raised in Carcross Yukon.

Why I Am Stepping Forward

I am at a point in my life where I can be a good strong voice for our people. I believe strongly in fiscal accountability and complete transparency. All of our people need to be empowered to be self-sufficient and to be able to live happy healthy Tlingit Lifestyles while also contributing to the success of Our Government and Our Communities, Carcross and Tagish.

I am not a Religious man, I am a Spiritual man and everything I do, I do with Creator!

My Background

I graduated from the Justice Institute of British Columbia.

I was Co-Chair of the CTFN Lands Management Board for 12 years.

I've represented our Clan on the Executive Council for the last 2 years.

I've spent my lifetime learning from the Matriarchs in my Clan, so I know how to listen.

Thoughts In Closing

I know, first hand, what it is like to be at the bottom. I also know what it is like to be doing well. I would strive to see all of our people doing better than Well!

What is good for one is good for ALL!

My Family

I am happily married for 28 years to Gwendolyn Wally. I have 3 Amazing Grown Children, Shane, Roberta, and David. I also have Children that we've adopted along the way, Emmie Sidney, Marie Sidney, Starr Drynock, and Philip Breton.

In Whitehorse we opened our home to many young people to attend High School. We moved to Teslin so that our Children would know their Mother's side of the Family. Later, we came Home so our Children could know my side of the Family, and learn about their Carcross/Tagish History. Since moving home, this is where we've decided to plant our Family Roots.
