Dear Fellow Carcross/Tagish first Nation members,

My name is **Michael D. Smarch**. I am honored to be running for **Kha Shaa du Hen**. I would like to share some of my personal information with you to get to know me a little better.

I have lived on our traditional lands for the past 43 years. I have lived in Carcross for the last 15 years. I am happily married to a wonderful woman. We are currently raising our teenaged daughter here in Carcross. I have worked for Carcross/Tagish First Nation for the past 14 years.

I am looking for your vote so that I can perform duties set out by mandate in our General Council.

I will bring fresh new unbiased ideas to the table. I am a man of compassion and understanding for our people. I know the challenges that our people face here in Carcross.

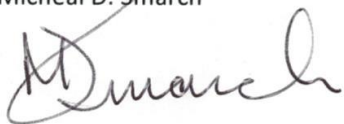

I am a quiet, but determined compassionate man. I can offer empathy, wisdom and a very strong work ethic to this Community. I believe in our people. I believe that we can all work together to bring about positive change. I would like to lead that change.

If you lend your vote to me, I will not disappoint you. I believe in getting things done together. I can be your voice to move our Community into productive forward change.

Give me that chance!

Thank you for your vote,

Micheal D. Smarch
