Our Ancestor's House

Great Hall

Our most versatile and scenic setting, this is the perfect place for your ceremony and reception.

Our east windows allow in plenty of natural light, and look out to Nares Mountain and Nares Lake, with our cedar timber room giving the ambiance of a long house.

With full AV capabilities, host your dinner and dance with live performances, speakers, slideshows, and/ or pre-recorded soundtracks.

Fire Pit

Gather round in this tranquil vista.

With a backdrop that is perfect for your ceremony, this is also a great place for guests to gather in between the ceremony and reception. Or a wonderful option for a casual summer celebration. Please note due to inclement weather, we require a booking for an indoor space.
